

UNITED STATES GOVERNMENT

Memorandum

TO : SAC (89-69)

DATE: 5/31/67

FROM : ASAC

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
DALLAS, TEXAS
11/22/63
MISCELLANEOUS INFORMATION CONCERNING

At 7:30 a.m., 5/30/67, I telephonically contacted the Bureau and talked to Section Chief WILLIAM BRANNIGAN and advised that any teletype in this matter would be at least 40 pages and told him unless I was advised to the contrary by him we would submit an airtel to the Bureau on 5/31/67, containing the information requested by Assistant Director SULLIVAN. He suggested this be mailed, and I pointed out to him this is Memorial Day and the Bureau would probably not receive it due to the lack of employees in the U.S. Post Office. He agreed we should have it hand delivered by pilot.

The 124 page airtel was prepared and given to the pilot of Delta Airlines. The Bureau was called at 3:30 p.m. and Supervisor TSCHIEET was advised of the flight number and the fact that the 15 copies of the airtel would arrive at Friendship Airport at 9:41p.m., 5/30/67, and he advised someone would pick it up.
